LINDSAY
GOLF & COUNTRY CLUB

Tree Management Incentive

Our Mission

To develop the woodlots and treed areas of the Lindsay Golf and Country Club through a long-term tree management plan which will provide for healthy and sustainable forests and support biodiversity for the enjoyment and benefit of our members and the larger community.

Development of a Tree Management Plan

The development of a tree management plan is a multi-faceted process which considers many factors including:

- An inventory of the existing trees and species on the golf course and soil types
- Species diversification
- Concerns regarding golf course management and golf course play
- Wildlife habitats
- Housing trends and consideration for course changes as a result of lowering highway number 7 and the associated property loss
- The evaluation of existing and future demographics

Our Program

Why do we need to plant trees? The golf course's ash trees have been devastated by the Emerald Ash Borer. Right across the province Ash trees have fallen victim to this infestation which kills 95% of these trees. Over 200 trees are dead or dying on the course. The goal of the golf club is to replace 200 trees over the next several years. Planting trees of a significant age will help to recreate the beautifully treed course that Lindsay has always been in a shorter time frame. To ensure this happens in a timely and appropriate manner, a tree management plan is being developed.

Planting 200 trees that are a significant size is no small task. We need your help. Donating money to plant a tree will put the golf course one step closer toward reaching its goal. Consider giving someone a gift of a tree for a birthday, anniversary or other significant accomplishment. Memorial trees are also a thoughtful way to recognize and remember a special individual. The committee is working on the development of a recognition board which will acknowledge all donations made to the tree planting effort.

DONOR INFORMATION

Donation Amount and Payment Options

\$500

Debit

Credit

Cheque

Member Charge

To make a payment contact James Clark

Email: james.lindsaygolf@gmail.com Phone: 7053282258 ext. 29

IN WHOSE NAME IS THIS DONATION BEING MADE
